

Michael Guest

Michael checking out the information on one of the Borough Council Notice Boards

Michael reporting graffiti he found to the contact centre at the Town Hall on a recent visit to the ward

Michael was an active participant in the successful campaign to retain the 467 bus for the benefit of Ruxley and West Ewell Ward residents

Michael found himself literally 'serving the community' at a celebration to mark the declaration of the Ruxley ward section of the Hogsmill River as a local Nature reserve.

Michael was very proud to receive the Pingat Jasa Malaysia medal, from the Mayor of Epsom and Ewell, 40 years after serving in Malaya in the Royal Army Medical Corp.
